100 Day—Feb 10

All grade 1 and 2 classes will be having a joint 100 day celebration in the gym on the morning of February 10th. We will be requiring a few parents to run 100 day centers for the morning. Please email me to let me know if you are available to help run one of the 3 centers I am responsible for!

Sweater Day & Hot Chocolate Fundraiser—Feb 13

On Feb 13 we will be turning down the heat and encouraging everyone in the school to wear a sweater. We hope that by participating in sweater day, it will do a part in helping the Arctic animals that we have been studying. All the grade 2 classes have combined to work on a few projects to help us stay warm on that day including a hot chocolate fundraiser. Thank you for all of your generous offers for donations of both hot chocolate and time. Please bring a **small** can of powdered hot chocolate by Feb 10th. Any unused hot chocolate will be donated to either the Harbor House or the Food Bank unless you let me know otherwise.

Crenshaw Wrap -up—Feb 16

I hope that you have had a chance to snuggle up as a family to read our OSOB project! If you take nothing else from the book, enjoy the "unplugged" time with each other and the conversations that come out of the reading. Please know that it is not an expectation for your child do all the reading. The text is likely challenging for most of the students so even if you read a page and they read a paragraph that would be wonderful! To go along with this project, we will also be gathering donations for the Harbor House. Watch for more details coming home soon!
